Self Management - Getting it Right from Day 1

7th National Conference - Birmingham 2014
Tuesday 10th June

In association with
DIABETES UK
CARE. CONNECT. CAMPAIGN.

Conference Programme

Another year, another conference. By popular demand, for 2014 we are returning to the Burlington Hotel in Birmingham, right next to the renewed and revamped New Street Station.

We once again gratefully acknowledge the continued sponsorship from Roche Diabetes Care and the continued association with Diabetes UK.

This years focus is on Self-Management (Getting it right from day 1). We hope everyone would agree that self management is important so this year we are focusing on making sure that we get that education process right from day 1.

As in previous years we are hoping that people will be willing to submit posters about their work that can be shown during the day.

We hope you can join us.

The conference will be held at the Burlington Hotel,
126 New Street,
Birmingham, B2 4JQ

As in previous years, there will be a series of repeated workshops of which attendees will be able to choose two during either the morning or afternoon sessions. See page 2 for the workshop details.
